INTERVIEWER TO READ: We have come to the end of the survey. We appreciate the time you have spent answering these questions. Your response and those of approximately ____ other men and women will give us an understanding of men's roles in society today, information that could be useful for driving changes in policies. It is important to emphasize that the laws in our country make it a crime to use physical violence against women, or to have sex with someone under the age of 18, and to force a woman to have

sex with you. If you would like additional information about any of the issues discussed, such as where to go for health services in your community, we have prepared a list of services.

[INTERVIEWER: Hand respondent brochure with list of relevant service in the community].

THANK YOU FOR YOUR TIME.

INTERVIEWER COMMENTS: *Please be as specific as possible.*
